Warranty has been referenced in the IFB in two (2) sections. The Uniform General Terms and Conditions list one (1) year, and the Scope of Work lists two (2) years:

- *Page 11, 6, B Warranties: Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that for one year after acceptance by the School District of the materials or services, they shall be:*
 1. *of a quality to pass without objection in the trade under the Contract description;*
 2. *fit for the intended purposes for which the materials or services are used;*
 3. *within the variations permitted by the Contract and are of even kind, quality, and quality within each unit and among all units;*
 4. *adequately contained, packaged and marked as the Contract may require; and*
 5. *conform to the written promises or affirmations of fact made by the Contractor*
- *Page 35, B, #8, Warranty: Provide two year warranty from date of final acceptance on all labor and materials provided under this contract. Provide an additional five year warranty on the motor compressor units for all air conditioning.*

This IFB requires a **two (2) year warranty** as stated in the Scope of Work, Page 35, B, #8, Warranty.
